

2019: Centenary of the death of Pierre-Auguste Renoir ...

Le Déjeuner des Canotiers. Philips Collection. Washington, DC

Pierre-Auguste Renoir (1841-1919) was born in Limoges on February 2, 1841, he died at the Domaine des Collettes in Cagnes-sur-Mer on December 3, 2019 ...

A striking figure in the Impressionist movement, the artist has left a considerable body of work (more than 4000 paintings!) ... Fabulous portrait painter and appreciated by Durand Ruel, he was one of the first impressionists to know the glory ...

Within the European network "**Impressionisms Routes**" ©, the Renoir network is today one of the most alive and structured, especially in France and Italy where he exercised his art while admiring the artists of the Renaissance ...

The year 2019 will mark the centenary of his death; we are already planning an exceptional program to mark this event.
