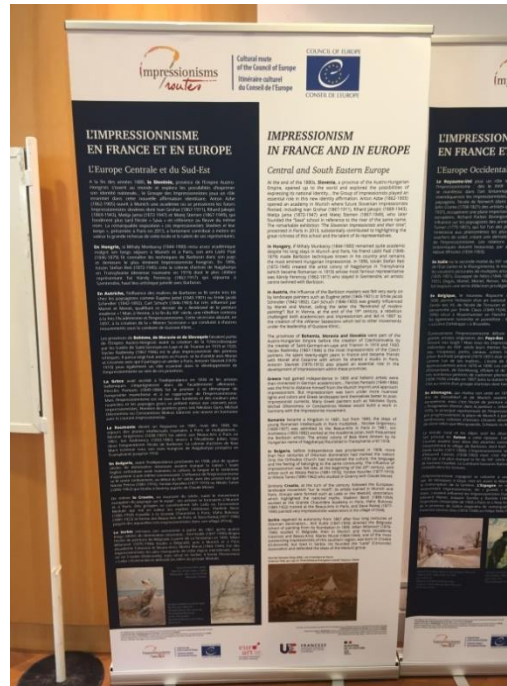

Exhibition : « Impressionisms in France and in Europe »

Impressionisms Routes® was invited to present its new exhibition “*Impressionisms in France and in Europe*” on the occasion of the 9th Evian International Tourism and Book Fair. A real success: more than 500 visitors, a marked interest for the Impressionisms Routes network and its achievements in the cultural and educational fields...

The next presentation of this new exhibition will take place in Fontainebleau (France) on May 31, June 1, 2 and 3, 2022 during the Summer Training Academy of all 45 Cultural Routes of the Council of Europe, event labeled “French Presidency of the Council of the European Union”, with the support of the French Ministry of Culture.

This Exhibition, new in its conception and remarkable for its technical quality, is available to communities belonging or not to the *Impressionisms Routes*® Network.
